

## Our Mission

The **B**ulldog **A**ctivities and **R**ecreational **K**ids (**B.A.R.K.**) Sports Camp is designed to provide campers, ages 6–12, with a variety of fun activities where they can master new skills, be creative, foster new friendships, and have a positive experience in a safe environment. It is our aim to stimulate the process of discovery by introducing campers to a wide variety of sports, games, enriching crafts, and on campus field trips. We hope to create a special atmosphere for each camper by placing them in specific age groups and skill levels where friendships can be made and campers can express themselves and grow through the various activities.
